Greetings,

Graduation was this month at many schools in the Indianapolis, Avon and Brownsburg area. And, we at Restoring Lives West are celebrating, too. Six of the youth served by Restoring Lives West attended graduation, walked across the stage, and picked up their high school diploma. What a glorious day!

The journey of each of these six would fill a book. They are not the run of the mill kid. There've been heartaches, disappointments, pregnancies, abandonment, and abuse. They have done more than just studied, worked and shown up. For a few the "showing up" was the hill hardest to climb.

Hope Garrett, director, provided personal transportation to and from school and activities for 14 straight days to one young person to fill the gap so this one would succeed. Bus passes were provided when needed. Shopping with gift cards provided new clothes for graduation. More than one of our graduates sought Hope in the crowd at the Ben Davis High School Graduation. She was the "Parent" for them that day. We, the Board of Directors, Restoring Lives West, Inc. want to share in the feelings of the reward of being obedient to the command through Mathew 25:34-45, paraphrased, "**Whatever you did not do for one of the least of these, you did not do for me**"

We strive to work for the Lord. Join us in this work. Your prayers, sharing your knowledge of RLW with friends and co-workers, your hours of volunteering, and your financial contributions carry this mission forward.

We extend our hand and welcome you to stand with us in supporting this humble work.
