Greetings to all,

How wonderful it was to get away last week and go to church camp. It was awesome to spend time with the youth and praise God in all of his glory. I was able to rest and clear my mind. We had a few calls while I was there but nothing that could not be handled over the phone or put off until I got back. This week I have made up for it. There have been many young people coming in need of transportation, food, help looking for a job, housing, help getting back into school, and many other things.

We have also had several groups working on the property at 1318 S. Lynhurst. If you drive by you will see the dumpster parked in the driveway. What you might not see is the entire backyard. We have had over two hundred volunteer hours on just the yard. We have also had a group from Lebanon come in and begin mopping the house. That may not seem like a big job but the upstairs was very bad and they worked hard to make it smell better and look lots better. We have another group coming in August to begin work on the walls.

We still need to complete the zoning before we begin re-building but have begun to line up those who have expertise in roofing, windows, siding, heating, electric, plumbing, drywall and all other aspects of re-modeling to do the work when we complete the zoning. If you are interested in doing the work or helping to pay for it please let me know so that we can start as soon as we get the zoning. Also if you have re-zoned something in the past or know of someone who has and would like to help with this process we could use the help. We need to start this process quickly.

A couple weeks ago I forwarded an e-mail from one of our supporters. Ursula had challenged all that receive our e-mail to send in just \$25.00 to help us make up a \$5,000.00 deficit. As of yet we have received only a few responses. I know that some of you think that the next person will do this or that it will not matter if you don't send it. I need you to know that it is very important as we are getting further behind all of the time and we need to get back in the black. We will not be able to function in the red much longer.

A few dates to keep in mind:

August 11th
August 12th
after school.
August 15th
September 19th

Board meeting at 709 S. Lynhurst 6:30p.m.
First day of school. Hours change to include

Workday at 1318 S. Lynhurst Dr
Workday at 1318 S. Lynhurst Dr

Yours in Christ,

Hope Garrett
