Greetings,

God is good! I don't know how many times a day I think or say that as God is showing me his plans for not only me but those I work with. Many times a day someone will come in and have a need and God has taken care of that need before we know the need is there. Last month was one of the busiest months we have had in a while. Many young persons were finishing up school, or in need of food and gas, or help finding a job, or needed clothes and God allowed those things to be here. Next month we will begin to work on next school years needs and God will take care of them, of this I am certain.

Many are asking about the house at 1318 S. Lynhurst and we are still working through the courts. Last week we went to the 'final' hearing for this. We should hear back from the judge sometime in July. After that hopefully we can begin work. We will need to be very diligent in our fund raising as it is going to cost about \$100,000 to convert the house and make it workable. However, God is good and will take care of this for us also.

We have a fundraiser scheduled for September 18th and are beginning to make plans for this. We will be having it at the Clermont Lions Club Park in Clermont, Indiana. We will be serving food from @12:30 until 7:00p.m. We will be having a silent auction with many things to bid on. This will begin online and finish the day of the event. We are also going to have some local bands come and entertain us during the day along with some speakers and games for the kids. We are hoping to have a band come to perform for us in the evening so set aside the entire day for fun and to support this ministry. If you are a food vendor and would like to donate please feel free to give me a call 402-5101. If you have items for the silent auction, we have begun to collect them and want to have as many items ready to go the day the auction opens online. Again call me and we can arrange pick-up or drop-off 402-5101.

This fundraiser will not begin until September and we are still trying to make up the deficit from the beginning of the year. We continue to place this ministry into God's hands and are making sure that all of the client needs are met, but it is getting harder to meet our other responsibilities. We are currently over \$7,000.00 behind this year's budget and it is getting harder to make all of our responsibilities. If you are able to give, now is the time to do it. Another suggestion could be a Christmas in July. You can collect money through your church or organization and make it a fun time for all.
